

Zoo Crew Application Form

The Zoo Crew Program is an educational program for middle and high school students intended to promote interest in animal care, careers in biological sciences, participation in volunteer community services, and a working knowledge of zoos and their place in conservation, education, recreation, and research with animals. It is designed for youth ages 13-17 years old (no exceptions due to space limitations).

Choose from one of two six-week sessions (or both if space permits). Fee per session is \$50.00 (a zoo crew t-shirt and nametag will be provided and must be worn when working at the zoo). Accepted participants must attend an orientation prior to the start of the session and should be committed to participating at least one time per week for the remainder of the session.

Circle one:

Session one: June 14th – July 23rd

Session two: July 26th – Sept 3rd

Young adults are selected for the program based on this application, an interview, and availability of space.

Return this form to:

Lake Superior Zoo - Zoo Crew Coordinator

7210 Fremont Street

Duluth, MN 55807.

If you have any questions, please call 218.730.4510.

The deadline for application is May 31.
